Although only one starter returned from last year's State Championship team, Coach Ellis has filled the vacancies extremely well.

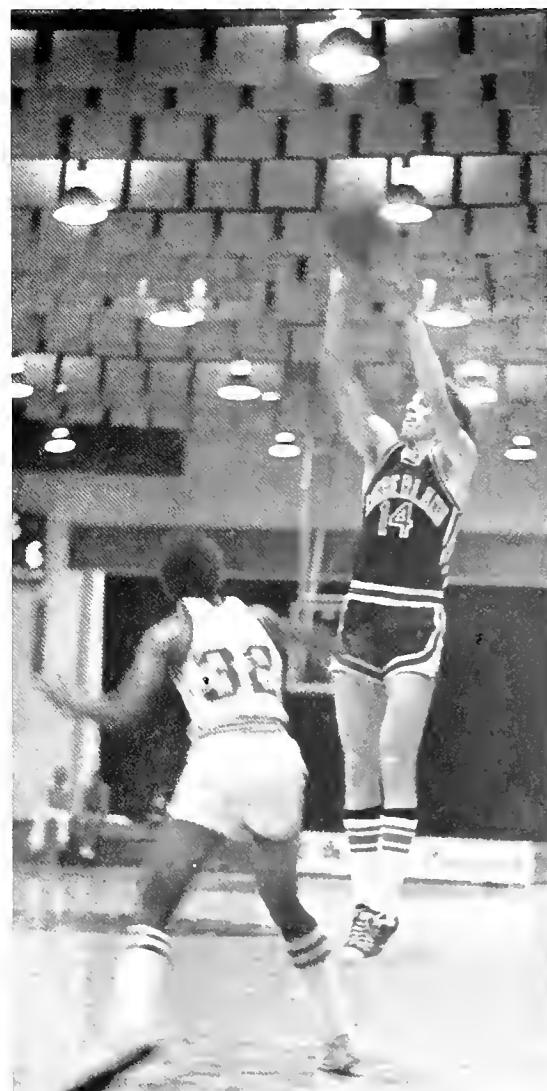

This year's team has excited the crowds attending the games with the brand of basketball they expect to see from Cumberland; fast, high scoring, and thrilling.

Coach Ellis and Coach Swain should really be proud of the way they have molded a group of freshmen and combined them with the experience of the sophomores into a team; a winning team.

The 1975 graduating Sophomores will always remember the excitement and the letdowns Cumberland basketball has been through.

\*Denotes Conference games.

Since taking over the coaching duties at Cumberland, David Lindsey has improved the program year after year. Last year Cumberland recorded their first 20-game win season ever when they finished 20-13, and were third in the conference.

This year's outlook is even brighter with the loss of only two sophomores from the starting lineup of last year!

The schedule this year is a special one; spiced with a trip for the team to an invitational tourney in Fernandina Beach, Florida. The teams that will be participating are Gulf Coast Community College, Jacksonville University, and St. Johns. This honor has given the players an extra incentive to do well because they hope to win the division title this year.

GOOD LUCK!

Under the leadership of Coach Ellis the team will be looking to improve their runner-up position of last year in both the State and Regional Matches.

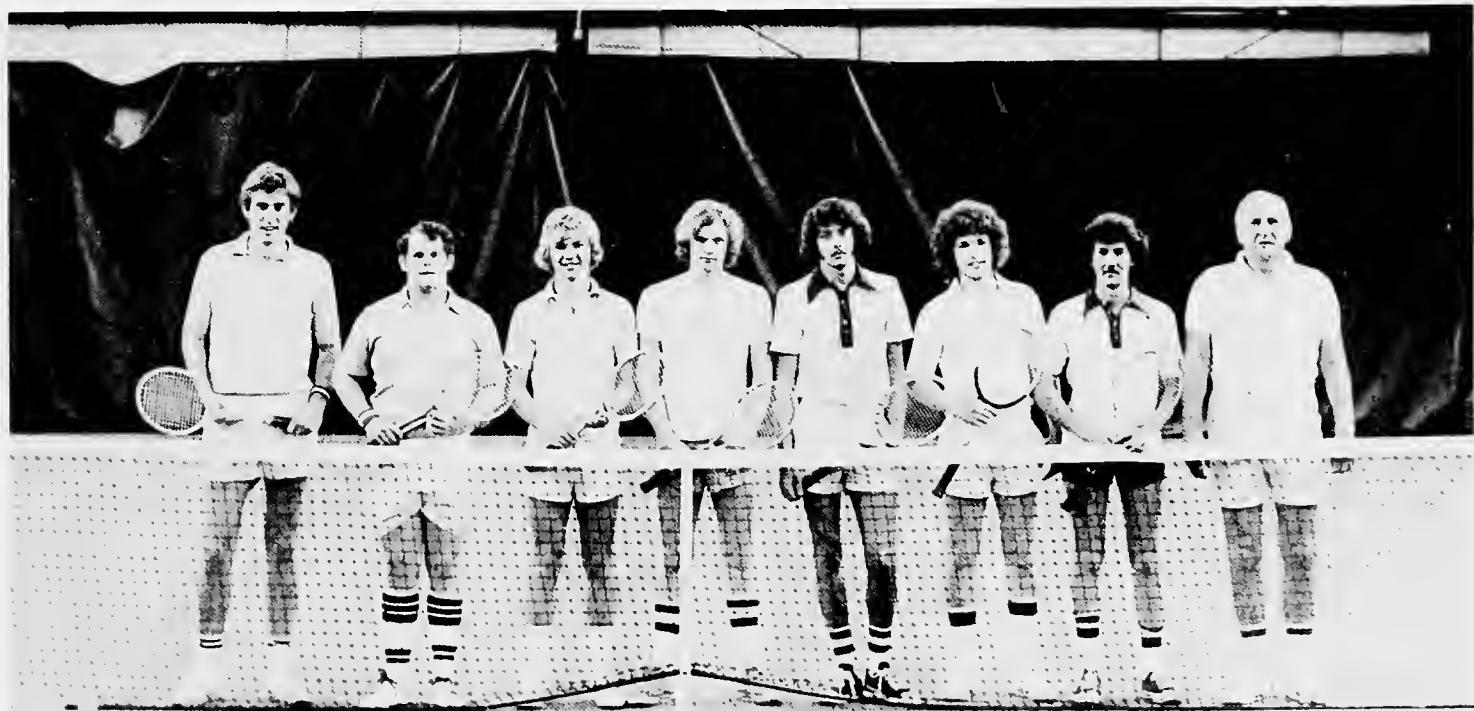

With the returning experience and the new talent, the team should do well. We wish them good luck!

This year's tennis team has really been working hard to get in shape for their first match.

Under the supervision of Mr. Burch, the team has traveled to Nashville to improve their game on indoor courts.

The outlook for this year is very good with the new courts and the enthusiasm of the team members.

Wells Nolen, Mike Matthews, Don Ash, Jeff Horrold, Ron Tipton, Jim Wells, Joe Mullins, Coach Burch.

## Drill Team

Wanda Jewell, Cindy Cannon, Ginger Lowe, Luanne Loin, Linda Kemper, Sharon Thorp, Solly Stevenson, Donna Garrett, Mary Jane Burton, Cathy Cobb, Linda Bennett, Cindy Brown.

This group of girls has really made the half-times of the basketball games entertaining for the fans.

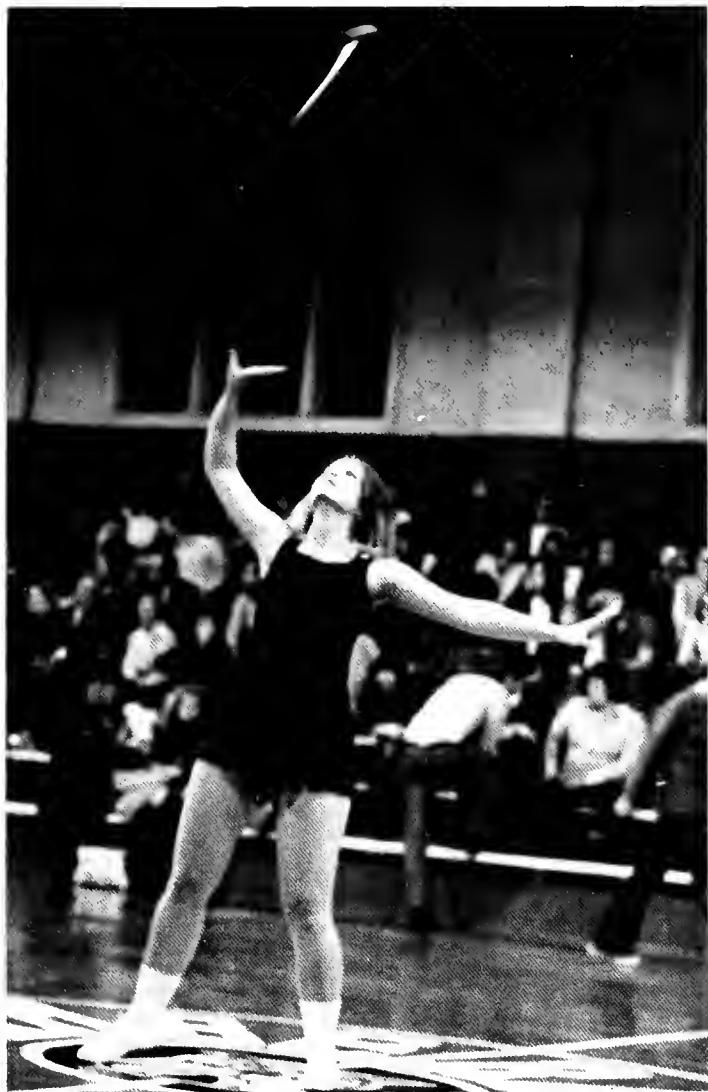

Under the new leadership of Kathy McGovern the girls have worked hard to get in SHAPE for this year's performances.

They have done routines to "In the Mood," "The Stripper," and the "Charleston"; all of which were very good.

For the dedication and work these girls have put into their routines, all Cumberland has GAINED.

Diane Adams, an alternate for the Drill Team, has performed several routines with the girls.

Left: Substituting for the Drill Team at half-time is Sharon Tharp doing a twirling routine.

Below Right: The Drill Team nervously awaits their half-time performance.

Below: The Drill Team is very successful with their first dance routine performed to the "Charleston."

## Cheerleaders

The main goal for the Cheerleaders has been to support and follow the Basketball team wherever they may go. The Cheerleaders had several bakesales in which to raise money to go to the Florida Tournament with the Bulldogs during Christmas vacation. They also held a Sadie Hawkin's Dance to raise additional money and they have been selling candy all year for the same purpose.

The Cheerleaders have worked very hard to keep up the spirit of Bulldog fans and players this year. The support the fans have given the Basketball team has been tremendous proving the Cheerleaders have done their duty successfully.

Pictured From Left to Right Are: Wanda Sontiaga, Rick Graves, Karen Fraley, Mitzi Officer, Larry Holt, and Konda Korfage.

CUMBERLAND COLLEGE OF TENNESSEE  
LEBANON, TENNESSEE

Dear Friends;

A yearbook cannot be published without the financial support of the community. For this help I would like to thank all the various merchants of Lebanon and surrounding communities who contributed to the 1975 PHOENIX.

My thanks to all those who worked on the actual putting together of this book. Without their help there would be no yearbook.

The theme of this book "We Are Cumberland" was chosen to represent the faculty and students as a group. Cumberland is not merely the buildings and grounds, but these things combined with the people who live, work, and learn here. Without people what would a college be? For this reason, I chose the theme "We Are Cumberland."

Sincerely,

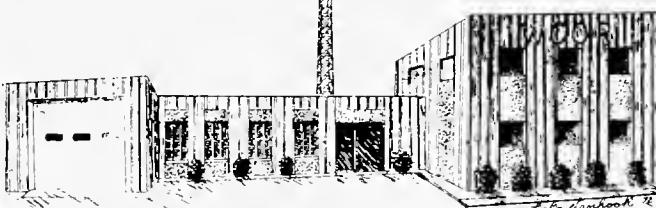

*Sharon Bledsoe*
